

Spend YOUR Spring Break exploring the great outdoors!

Enjoy a week of *outdoor fun and exploration*
at the **Lawrence Nature Center in Drexel Woods**
with the Teacher-Naturalists of the Stony Brook-Millstone Watershed Association!

DATES: March 29 – April 2, 2010

TIME: 9:30AM – 4:00PM

WHERE:

Lawrence Nature Center
Off Drexel Avenue (behind Notre Dame High School)
Lawrence Township

WHO: Boys and girls, ages 6 through 12

COST: \$50.00 per child per day. Sign up for 1 or 2 days, or ALL WEEK

Stony Brook-Millstone Watershed Association is central New Jersey's *first* environmental group. Since 1949 we've been protecting your water and your environment through conservation, advocacy, science and education. We maintain an 860-acre reserve in Hopewell Township and we are coming to Lawrence for one week to conduct our favorite outdoor explorations with you!

Our professional Teacher-Naturalists want to introduce the wonders of the Lawrence Nature Center trails, stream and meadow to your child. Join us on daily adventures during your spring school vacation – we will search for emerging wildflowers, amphibians and insects... look for nesting birds... seek out the signs of spring and bid a final goodbye to winter! Sessions will be conducted outdoors – children must come dressed for early spring weather, which means coats, hats, gloves and BOOTS. Bring your lunch each day and share a story and a s'more with us around an afternoon campfire! *This program does not meet at the Watershed Reserve in Pennington.*

HOW TO REGISTER: Call the Buttinger Nature Center of SBMWA at 609-737-7592 to register. Full payment is due at time of registration. Space is limited and registration is required.
