Buttinger Nature Center of Stony Brook-Millstone Watershed Association
31 Titus Mill Road
Pennington, NJ 08534

WHO: Boys and girls, ages 6 through 12

COST: Watershed Members: \$50.00 per child per day; Non-members: \$65.00 per child per day. Extended day fee: \$15.00 per child per day. Sign your child up for any number of days.

Stony Brook-Millstone Watershed Association is central New Jersey's *first* environmental group. Since 1949 we've been protecting your water and your environment through conservation, advocacy, science and education. We maintain an 860-acre reserve in Hopewell Township and we want to conduct our favorite outdoor explorations with you!

Our professional Teacher-Naturalists want to introduce the wonders of the Watershed Reserve trails, stream and pond to your child. Join us on daily adventures during your spring school vacation – we will search for emerging wildflowers, amphibians and insects... look for nesting birds... seek out the signs of spring and bid a final goodbye to winter! Sessions will be conducted outdoors – children must come dressed for early spring weather, which means coats, hats, gloves and **BOOTS**. Bring your lunch each day and share a story and a s'more with us around an afternoon campfire! Watershed membership is not required to attend mini-camp.

HOW TO REGISTER: Call the Buttinger Nature Center of SBMWA at 609-737-7592 to register. Full payment is due at time of registration. Space is limited and registration is required.
